

EN 45001
ISO/IEC GUIDE 25
ISO 9002

colour
certificate no. 990303301

The HRD Certificates Department is BELTEST accredited for the quality examination of polished diamonds under ref. N° 047.

This certificate may not be reproduced by any means whatsoever unless complete.

The stone in accordance with the above mentioned number has been identified as a natural gem diamond and has the following description :

shape **marquise**
weight **1.51 ct**
measurements **11.48 x 5.07 x 3.96mm**
luminescence
lw 366 nm **nil**
sw 254 nm **nil**
colour
description **FANCY PURPLISH PINK,
NATURAL COLOUR**

gemmologists

The here mentioned findings result from scientific measurements and observations carried out in the laboratory of the Diamond High Council and, when necessary, in the "Solid State Physics" laboratory of the University of Antwerp (RUCA).

The decisions are taken according to the knowledge and literature about colour and colour treatment of diamonds known at the time of the examination.
