

ISO/IEC 17025  
ISO 9002

The HRD Certificates Department is BELTEST accredited  
the quality examination of polished diamonds  
ref. N° 047.

is certificate may not be reproduced by any means  
elsever unless complete.

colour  
certificate no.

20040700747

The stone in accordance with the above mentioned num-  
ber has been identified as a natural gem diamond and  
has the following description :

|                                        |                                    |
|----------------------------------------|------------------------------------|
| shape                                  | oval                               |
| weight                                 | 1.00 ct                            |
| measurements                           | 7.47 x 5.13 x 3.65mm               |
| luminescence<br>lw 366 nm<br>sw 254 nm | medium yellow<br>slight yellow     |
